General

4. All runs and other activities organised through the RunTogether Groups are aimed at those aged 12 and over. Running can be strenuous and therefore runners must be in good health. Runners who have any doubt about their health or have a medical

condition that could be affected by exercise, particularly a heart condition, should consult their doctor before participating.

5. The minimum age for Registered Users is 12. Children aged 12 and under may be welcome on some group runs but this is entirely at the discretion of the relevant RunTogether Leader. If runners aged 12 and under do attend they must be accompanied by a parent or legal guardian aged 16 or over and are entirely the responsibility of that adult. If a child aged 12 or under does attend with another adult (aged 16 or over) that is not their parent/guardian the person making the registration must have the prior consent of their legal parent/guardian.
6. While the organisers, managers and promoters of the group runs will do all in their reasonable control to make the run as safe as possible, all runners take part at their own risk.
7. Registered Users will be able to upload running routes and search for running routes on RunTogether.co.uk. These routes are uploaded by Registered Users and have not been assessed or validated by us and no guarantee is provided as to the safety of any such routes.
8. None of England Athletics, the organisers, managers or any sponsors or promoters of any run accept liability for any loss or damaged caused where:
 - 8.1 there is breach of a contractual obligation or legal duty of care owed to you;
 - 8.2 such loss or damage is not reasonably foreseeable at the time of breach

 - 8.5 an injury is sustained or any losses are incurred as a result of your opting to run with a buggy or with a dog;
 - 8.6 any loss arises as a result of you following a route which has been uploaded to RunTogether.co.uk by another Registered Userexcept for death or personal injury caused by their negligence, fraud or fraudulent misrepresentation, or any other matter for which it would be illegal or unlawful for them to exclude or attempt to exclude their liability.
9. Where you have chosen to run with a buggy, we make no promise or comment as to the suitability of the buggy for a running activity and the option to run with a buggy or a dog is entirely at your own option and risk.
10. The organisers may cancel any groups runs or other organised events and activities at their discretion. They will endeavour to give as much notice as possible of any cancellations. The organisers accept no liability for any costs incurred as a result of the cancellation.
11. The organisers, managers or any sponsors or promoters of the group runs may take photographs or videos of the run and runners for promotional and publicity purposes. By registering to participate in the group run either on your own behalf or upon behalf

of any other runner including those under the age of 16 years, you agree that photographic or video images of you, containing you, or of those under the age of 16 years upon whose behalf you have registered, may be used by the organisers, managers or any sponsors or promoters of the group run for publicity purposes.
